[Join with Video](#) [Join without Video](#)

The image shows a screenshot of a web browser window with a 'Video Preview' dialog box open. The dialog box features a video preview of a woman with glasses resting her chin on her hand. Below the video, there is a checked checkbox for the setting 'Always show video preview dialog when joining a video meeting'. At the bottom of the dialog, there are two buttons: 'Join with Video' (highlighted in blue) and 'Join without Video'.
