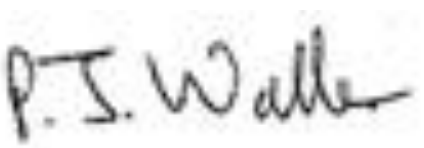
Chairman's Foreword

After a year's COVID induced break, I am delighted that we are once again able to hold our annual Exhibition. Although there is no 'age limit' for exhibition entries, images tend to be from the previous year; this catalogue shows that, despite the strictures of COVID, Kingston Camera Club members continue to produce work of highest standard. In February Kingston won the Albany Cup with images taken by Sumit Chanda, Jim Robinson and Tim Morland, and during the season four members achieved notable distinctions; Carmen Drake and Paul Waller were awarded Licentiate of the Royal Photographic Society, Simon Street was awarded the prestigious Fellowship of the Royal Photographic Society (in two separate categories!), and Graeme Wales LRPS CPAGB achieved the BPE1 award.



Paul Waller

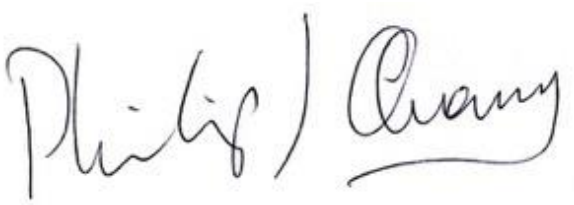
September 2021

Message from the President

The annual exhibition is the public face of the club, and this catalogue showcases the images displayed at All Saints Church, Kingston during September to wide appreciation.

I am equally pleased that we have been able to hold an exhibition this year and that it was to the high standards for which the club has long been known.

Finally, thank you to all those who took part and worked to ensure its success.



Philip J Quarry
